# What is the common thread

CONNECT EVERY ELEMENT OF YOUR ENTERPRISE ON AND OFF THE CLOUD

The diagram consists of two horizontal rectangular boxes. The top box is blue and contains the text 'CONNECT EVERY ELEMENT OF YOUR ENTERPRISE ON AND OFF THE CLOUD'. The bottom box is grey and contains the text 'STANDARD SEMANTICS'. On the left side, a grey curved arrow starts from the bottom box and points to the top box. On the right side, a grey curved arrow starts from the top box and points to the bottom box. These two arrows together form a U-shape, indicating a bidirectional relationship or a common thread between the two concepts.

STANDARD SEMANTICS

# Universal Integration

Finally a way to make everything work together

## People

Across geographies and  
roles

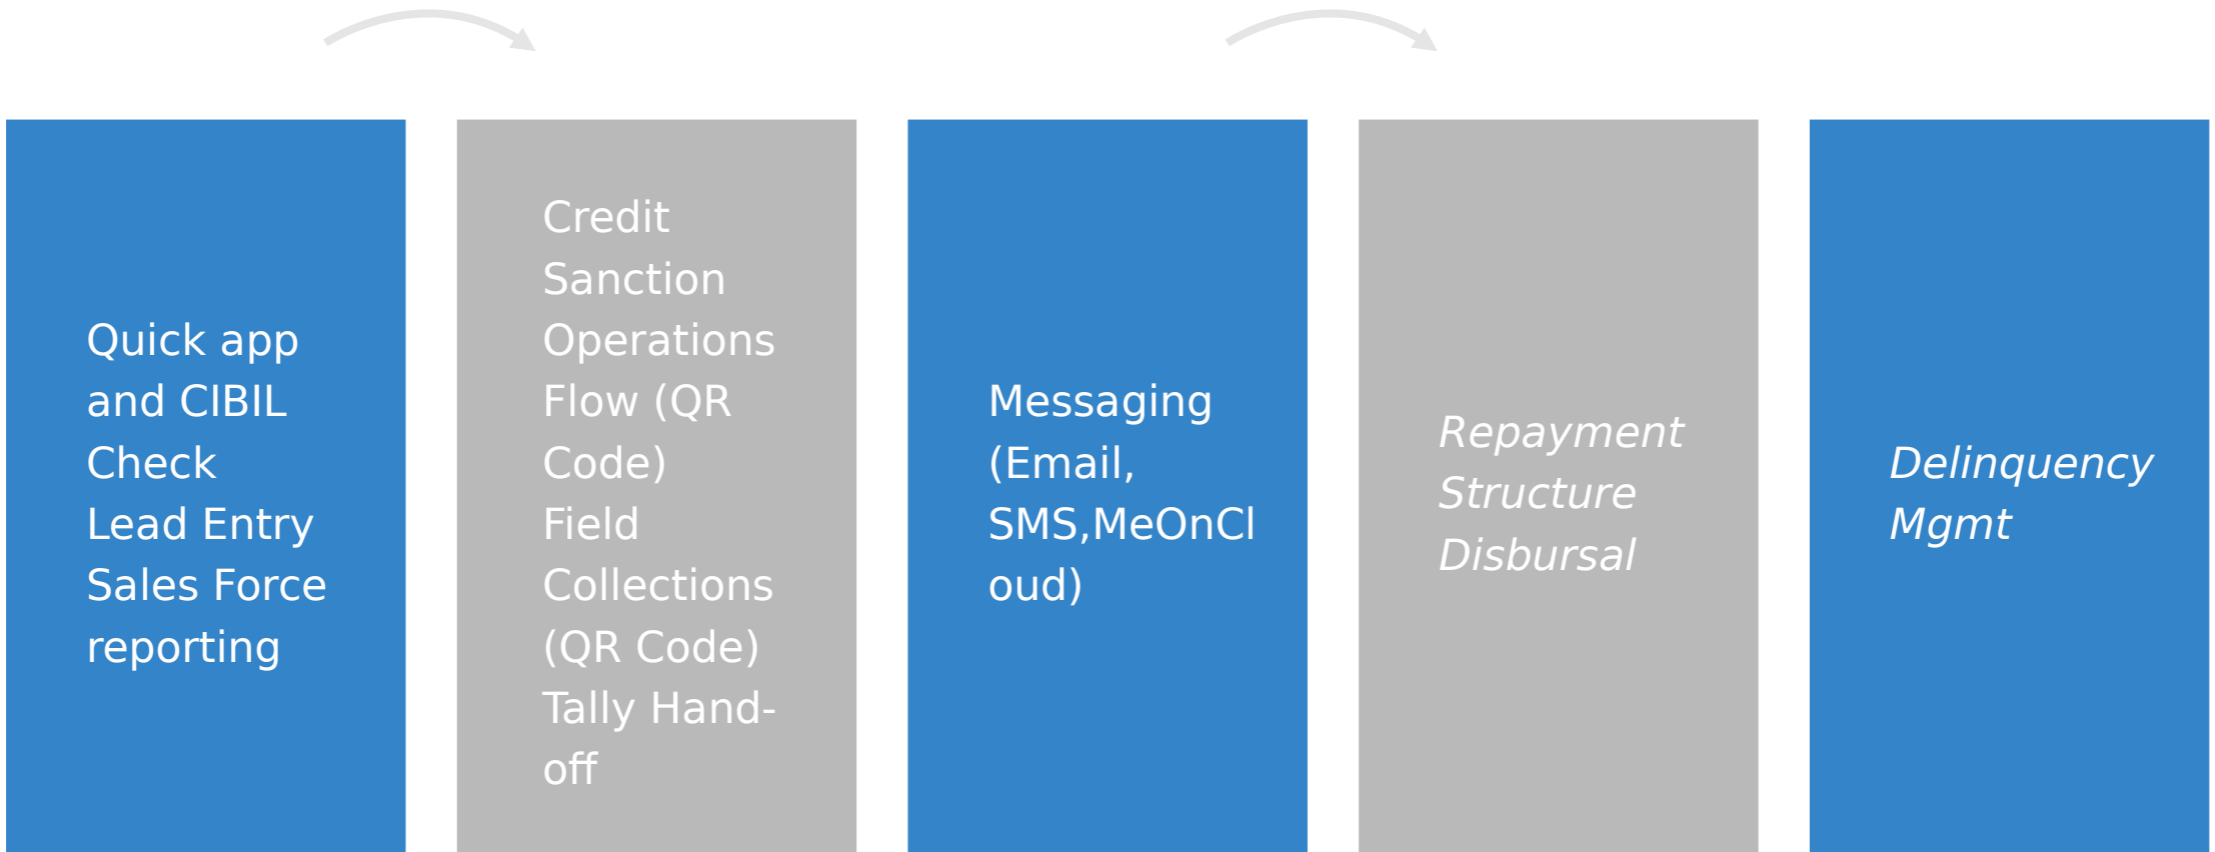

## Data

Relational, Non  
relational - Images etc.

## Workflows & Process

Vendor agnostic

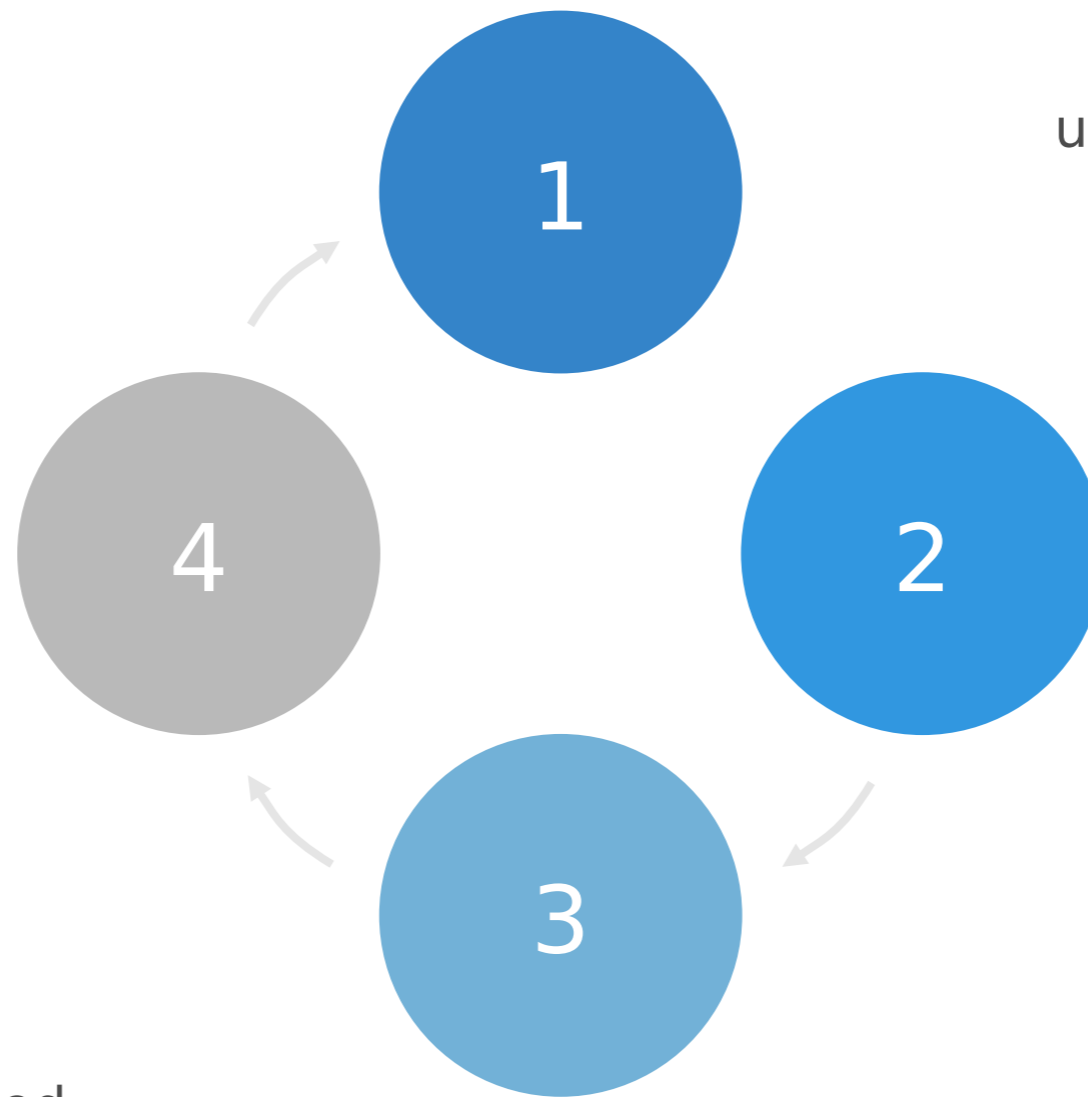

Our BPM and Enterprise Patterns Spectrum
